**New Catholic School Scholarship Opportunity
for 2018/19 School Year**

Through the "Invest in Kids Act," the state of Illinois has created a new way to fund scholarships for children from low-income households who want to attend private schools. This program provides an opportunity for more students to receive a quality Catholic education. The tax credit scholarships offered through this program could cover **up to 100 percent of tuition and fees** for eligible, low-income students. Not all families will be eligible for the new scholarships, but we want to make sure all families are aware of the program.

Program details are still being finalized, but you can find information on the scholarships, the application process and the "Frequently Asked Questions" (FAQ) on the Archdiocese of Chicago's website, archchicago.org/tcs. If you have any questions about tax credit scholarships, please contact the Archdiocese at InvestInKids@archchicago.org or 312.534.5321.
