# ANNUAL *fundraising* GALA

---

Dear Friends of St. Paul Parish:

As you know, we are a parish serving the Pilsen and surrounding communities. We invite you to participate in our quickly approaching **2025 Gala on Saturday, April 26, 2025.**

Besides being a spiritual center for hundreds of families, we also are a community center for many more providing food and assistance with rent, utilities and especially meeting the needs of children and the elderly year-round.

Through our social justice work, we publicly oppose and organize to reduce air pollution. We assist hundreds of families to appeal property tax increases. We are currently working to ensure that families feel well informed and prepared for dealing with immigration authorities. This work must continue.

We manage Holy Grounds, an in-house coffee shop that employs young people in college. We organize events for all to enjoy: 1) Oktoberfiesta (a one-day outdoor fair with food, drinks, games, pony rides, face painting and music; 2) "Safe Passage on Halloween" organizing residents to welcome trick or treaters on blocks around the church; and 3) our Easter morning Egg Hunt is a big hit with all the children.

We are proud of our commitment and are growing in the many ways we serve. To remain a beacon in Pilsen, we are seeking your support. We know that you too are as invested in this community as we are.

Our **2025 Gala goal is \$100,000** which will be used to continue to serve our community. We invite you to partner with St. Paul by:

- 1) Becoming a 2025 Gala Sponsor
- 2) Purchasing an ad in our Ad Book to be shared at the Gala and put on our website for one year
- 3) Donating something for our Silent Auction

A member of our Gala committee will contact you in a few days to explore your interest. Attached is information that will assist you in your consideration. You can also go to [stpaulchgo.org/gala](http://stpaulchgo.org/gala) to become a sponsor, purchase an ad or purchase tickets. Thank you for considering our request.

Sincerely,

Maria Guzman
